**Triangle Camps, Track-Out, and More**, formerly known as *Summershine*, is a publication of the Wake County Public School System, which is the largest school system in North Carolina and the 15th largest in the United States. It was created at the request of parents who desire a resource to locate camps, enrichment, daycare, and track out programs for their children. We don't use tax money and profits are funneled back to support the schools!

- Multiple pediatric and medical businesses

**What advertisers are saying**

“Great way to reach school-aged children and parents!”
*Tim L. Camp Flintlock, Inc.*

“Summershine is absolutely the best advertising available. I filled my camps the past two summers with about 80% Summershine respondents each year, and many of them come back for school-year programs.”
*Casey I. Young Writer’s Institute*

“Summershine offers a great way to reach parents of school-aged children in Wake County. We are very pleased with the courteous staff at Summershine. Keep up the great work!”
*Moni S. Stem For Kids*

**Placement**

All pages are sold on a first-come-first-served basis. **Payment must be received at time of request to reserve a page.** What we deem to be the best placement goes to those who pay early.

The color pages are in the center, inside front, back, and inside back of the directory. Color pages go fast, so pay early to reserve your spot.

Full page and half page black and white advertisements are placed in the directory in the order that we determine is best for the publication.

**Ad Format**

Finished ads should be in a 300 dpi high resolution PDF or JPEG format with the original file color format as CMYK with all fonts embedded. Black and white halftone ads can be saved as grayscale. Other acceptable formats include Adobe Photoshop saved at a high resolution 300 dpi JPEG. Half page and center spread ads must be ‘horizontal’ in orientation and no larger than the sizes described. Full page ads must be vertical. We cannot do any design work or modification to your ad; it needs to be print-ready when submitted.
