Lifelong Learning with Community Schools is a program of Wake County Public School System (WCPSS) where you can enjoy courses that are educational, recreational, cultural, civic, and social in nature. Come to one of many sites around Wake County. If you're 16 years old to 109 years young, you're invited to come grow and learn with us!

Check out our *Adult Evening Education* catalog published three times per year (fall, spring, and summer) available in libraries, schools, community centers, and select businesses throughout the county. We also have an electronic version online.

If you would like to offer a class with us, we invite you to apply. Check out our Providers section on our website.
